FOR MASSACHUSETTS

This Amendment No. 1 (this "Amendment") is effective June 14, 2001 ("Amendment Effective Date"), by and between Verizon New England Inc., doing business as Verizon Massachusetts, formerly known as New England Telephone and Telegraph Company, doing business as Bell Atlantic - Massachusetts ("Verizon"), and Cellco Partnership, doing business as Verizon Wireless, on behalf of itself and the other Verizon Wireless Parties listed on the signature page to this Amendment (Cellco Partnership and the other Verizon Wireless Parties are each hereinafter referred to as "VZW"). (Verizon and VZW may hereinafter be referred to, each individually, as a "Party," and, collectively, as the "Parties").

WITNESSETH:

WHEREAS, Verizon and VZW are parties to an Interconnection Agreement under Sections 251 and 252 of the Communications Act of 1934 (the "Act") for Massachusetts, which was effective January 20, 1997 (the "Agreement"); and

WHEREAS, on April 18, 2001, in the Order on Remand and Report and Order, *In the Matter of Implementation of the Local Competition Provisions in the Telecommunications Act of 1996, Intercarrier Compensation for ISP-Bound Traffic*, FCC 01-131, CC Docket Nos. 96-98 and 99-68 ("Order"), the Federal Communications Commission affirmed its prior determination that Internet traffic is not subject to reciprocal compensation under Section 251(b)(5) of the Act, but exercised its authority under Section

201 of the Act to establish a transitional plan for intercarrier compensation for Internet traffic; and

WHEREAS, in accordance with the Order, Verizon has elected to offer an optional reciprocal compensation rate plan for traffic subject to Section 251(b)(5) of the Act, under which such traffic exchanged between Verizon and a local exchange carrier or CMRS provider in a given state will be subject to compensation at the same rate applicable to intercarrier compensation for Internet traffic in that state under the terms of the Order; and

WHEREAS, VZW has elected to amend the Agreement to accept the optional reciprocal compensation rate plan for traffic subject to Section 251(b)(5) of the Act being offered by Verizon;

NOW, THEREFORE, in consideration of the promises and mutual agreements set forth herein, the Parties agree to amend the Agreement as follows:

1. Amendment to Agreement. The Agreement is amended as follows:

1.1 Notwithstanding any other provision of the Agreement, effective as of the Amendment Effective Date, the following provisions shall apply to and be a part of the Agreement:

1.1.1 Rates.

1.1.1.1 The reciprocal compensation rates that shall apply pursuant to Section 251(b)(5) of the Act and Section 5 of the Agreement for the transport and termination of Local Traffic that has been delivered to the terminating Party, shall be the following reciprocal compensation rates:

A. Local Traffic Transport and Termination Rate

June 14, 2001 and thereafter --
\$0.00 per minute of use. (Bill-and-Keep.)

1.1.1.2 The reciprocal compensation rates provided for in Section 1.1.1.1 above shall replace and apply in lieu of the reciprocal compensation rates for the transport and termination of Local Traffic set out in the Agreement (including, but not limited to, the reciprocal compensation rates set out in Sections 5.3 and 5.4 of the Agreement).

- 1.1.1.3 The reciprocal compensation rates provided for in Section 1.1.1.1 above shall apply to the Parties in an equal and symmetrical manner.
- 1.1.1.4 In addition to the reciprocal compensation charges provided for in Section 1.1.1.1 above, VZW agrees to pay to Verizon \$0.002 per minute of use for dedicated trunk facilities provided by Verizon between the VZW network and the Verizon switch for transport of Local Traffic delivered by VZW to Verizon. Such charge of \$0.002 per minute of use shall apply in lieu of monthly recurring charges for such dedicated trunk facilities (but not in lieu of non-recurring and service establishment charges for such dedicated trunk facilities, which non-recurring and service establishment charges shall continue to apply).
- 1.1.1.5 The rates provided for in Sections 1.1.1.1 and 1.1.1.4 above shall apply until such time as they are replaced prospectively by new rates as may be approved or allowed into effect from time to time by the Department pursuant to FCC orders and FCC regulations, or by the FCC, subject to a stay or other order issued by any court of competent jurisdiction.
- 1.1.2 Reciprocal compensation shall not apply to traffic that is not subject to reciprocal compensation under Section 251(b)(5) of the Act.
- 1.1.3 "Internet Traffic" means any traffic that is transmitted to or returned from the Internet at any point during the duration of the transmission.
- 1.1.4 Local Traffic does not include any Internet Traffic.
- 1.1.5 Reciprocal compensation shall not apply to Internet Traffic.
- 1.1.6 The Parties' rights and obligations with respect to any intercarrier compensation that may be due in connection with their exchange of Internet Traffic shall be governed by the terms of the Order and other applicable FCC orders and FCC regulations.
- 1.1.7 The determination of whether traffic is Local Traffic or Internet Traffic shall be performed in accordance with Paragraphs 8 and 79, and other applicable provisions, of the Order.

1.1.8 A Party shall not be obligated to pay any intercarrier compensation for Internet Traffic that is in excess of the intercarrier compensation for Internet Traffic that such Party is required to pay under the Order and other applicable FCC orders and FCC regulations.

1.2 Effective as of June 1, 2002, Section 5.5 of the Agreement is amended by renumbering existing Section 5.5 as Section 5.5.1 and adding the following new Section 5.5.2:

“5.5.2 Where BANM Interconnects with NYNEX by purchasing trunks from NYNEX and these trunks are used for two-way traffic, the applicable non-recurring charges (if any) for such trunks to BANM will be reduced by a percentage equal to the percentage of all of the traffic exchanged between NYNEX and BANM (including both all of the traffic delivered by NYNEX to BANM and all of the traffic delivered by BANM to NYNEX) in the Commonwealth of Massachusetts during the three calendar months prior to the month in which the trunks were installed that was traffic which originated on NYNEX’s network and terminated on BANM’s network. Upon request by NYNEX, BANM will provide NYNEX with any traffic volume information reasonably needed by NYNEX to calculate this percentage. At NYNEX’s election, (a) the reduction in the non-recurring charges for the trunks will be included in NYNEX’s bills to BANM, or (b) NYNEX will bill BANM the full amount of the non-recurring charges for the trunks and BANM will bill NYNEX for the amount of the reduction in the non-recurring charges for the trunks.”

This new Section 5.5.2 shall apply only to charges arising on or after June 1, 2002.

1.3 Notices to be given by Verizon to VZW under Section 17.10 of the Agreement on or after July 15, 2002 shall be delivered to the following:

Director of Interconnection
Verizon Wireless
GA3B1REG
Alpharetta, GA 30004

2. Termination. If the Order is stayed, vacated or modified, in whole or in part, by the FCC or another governmental entity of competent jurisdiction, each Party shall have the right to terminate this Amendment by written notice to the other Party. The termination shall be effective upon receipt of the notice of termination by the other Party. In the event of such

termination of this Amendment, the language of the Agreement, on a prospective basis, effective with the effective date of the termination, shall revert to the language of the Agreement (including any other amendments to the Agreement entered into by the Parties on, before or after the Amendment Effective Date) as it would have existed if this Amendment had not been entered into by the Parties. The provisions of this Section 2 shall be in addition to and not in limitation of any other provisions of the Agreement (including, but not limited to, Section 16, "Pending Judicial Appeals and Regulatory Reconsideration") that might apply if the Order is stayed, vacated or modified.

3. Scope of Amendment. Except to the extent set forth in Section 1 of this Amendment, the rates, charges and other provisions of the Agreement shall remain in full force and effect. Nothing in this Amendment shall be deemed to amend or extend the term of the Agreement. The dates shown in Section 1.1.1.1 above are not intended to modify the term of the Agreement or to affect either Party's right to exercise any right of termination it may have under the Agreement.

4. Conflict Between this Amendment and the Agreement. This Amendment shall be deemed to revise the rates, charges and other provisions of the Agreement to the extent necessary to give effect to the rates, charges and other provisions of this Amendment. In the event of a conflict between a rate, charge or other provision of this Amendment and a rate, charge or other provision of the Agreement, this Amendment shall govern.

5. Counterparts. This Amendment may be executed in one or more counterparts, each of which when so executed and delivered shall be an original and all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be duly executed and delivered by their duly authorized representatives as of the Amendment Effective Date.
